RE: CV 18-4796 (JS)(AYS)

To the Honorable Joanna Seybert

Your Honor:

On January 24, 2018 I and Jana Nishida were deposed by Defendants' lawyer, Mark A. Radi, Esq.

That afternoon, after completing the depositions, Mark A. Radi was offered my complete defense file. He took the file and returned it sometime later.

The file included a full transcript of my trial in the East Hampton Town Justice Court. I know that Mr. Radi read the trial transcript. So, why does he ignore the fact that I was railroaded, that I did nothing to cause my arrest and subsequent police brutality? And, that this case should have been dismissed by the presiding Judge (Tekulsky) back in 2014.

Why is he pursuing an unjust outcome in the case by trying to get my case wrongfully dismissed?

Sincerely,

William E. Cuthbert

cc: Mark A. Radi
